COMMUNITY

Instead of an emphasis on confidence, which puts the responsibility on already marginalised individuals.

Trust

Within, with others and in the creative process.

Non Judgement

All questions welcome, we all arrive as beginners.

Empathy

Respect and thought for other people's experiences.

Vulnerability

Growing strength together through mistakes, experiences and owning our stories.

GROWTH

Rejecting patriarchal ideals of the 'expert' or 'professional' and instead valuing the act of being in constant process.

Intuition

Respecting an internal knowing we may not consciously understand yet.

Learning Diversity

Incorporating the learning styles we thrive with best.

Mindfulness

Noticing our emotional reactions to challenging tasks and setbacks without self-judgement.

Play

approaching learning with fun and the chance to expand the possibilities of who we can be.
